

Jalisha Jashim Era

✉ era.cse@aust.edu  jalisa-ira  jalishaera
 jalishaera.github.io

Profile

- Lecturer, Department of Computer Science and Engineering, Ahsanullah University of Science and Technology (AUST), with one year of teaching experience across undergraduate lab and theory courses.
- Graduated top of the B.Sc. in CSE class of 2025 with a CGPA of 3.917/4.00. Author of two peer-reviewed papers on NLP-driven mathematical reasoning, including one IEEE conference publication and one paper accepted at an ACM Transactions journal. Seeking Ph.D. opportunities in Natural Language Processing, with a focus on the trustworthiness and reliability of NLP systems.

Research Interests

Natural Language Processing, Large Language Models, Trustworthy and Robust NLP, Mathematical Reasoning, Machine Learning, Deep Learning.

Education

Ahsanullah University of Science and Technology <i>B.Sc. in Computer Science and Engineering</i> CGPA: 3.917/4.00 (1 st in Merit Position)	Dhaka, Bangladesh 2025
Ideal School and College <i>Higher Secondary Certificate (HSC)</i> GPA: 5.00/5.00 (Government Scholarship)	Motijhil, Dhaka, Bangladesh 2018
A.K High School and College <i>Secondary School Certificate (SSC)</i> GPA: 5.00/5.00 (Government Scholarship)	Donia, Dhaka, Bangladesh 2016

Publications

- **Jalisha Jashim Era**, Bidyarthi Paul, Tahmid Sattar Aothoi, Mirazur Rahman Zim & Faisal Muhammad Shah **"Empowering Bengali Education with AI: Solving Bengali Math Word Problems through Transformer Models"** in *27th International Conference on Computer and Information Technology (ICCIT)*, Cox's Bazar, Bangladesh, IEEE, 2024
Accepted
- Bidyarthi Paul, **Jalisha Jashim Era**, Mirazur Rahman Zim, Tahmid Sattar Aothoi & Faisal Muhammad Shah **"Leveraging Large Language Models for Bengali Math Word Problem Solving with Chain of Thought Reasoning"** in *ACM Transactions on Asian and Low-Resource Language Information Processing (TALLIP)*, 2025

Research Experience

Geographic Information System Division <i>Research Consultant</i> Centre for Environmental and Geographic Information Services A Public Trust under the Ministry of Water Resources, Government of Bangladesh	March, 2024 - June, 2025
---	---------------------------------

Teaching Experience

Ahsanullah University of Science and Technology (AUST) <i>Lecturer</i> Department of Computer Science & Engineering Courses: <i>Environment and Sustainable Computing, Software Engineering Lab, Operating System Lab, Digital Image Processing Lab, Cyber Security Lab, C Programming Lab, Soft Computing (Deep Learning) Lab, Data Structure Lab, Computer Graphics Lab</i>	June 2025 - Present
---	----------------------------

Academic Projects

Blood Bank Management System

Java, MS SQL, NetBeans 8.2, SQL Server 2014

Optimizes blood donation and inventory management with an efficient, life-saving approach. [GitHub]

Riveria — Flood Monitoring and Alarming System

Arduino IDE

Provides real-time alerts and crucial data to help mitigate flood risks. [GitHub]

Ira's Fairy's Land

C#, Visual Studio 2019

An adventurous shooting game filled with action, thrill, and epic battles. [GitHub]

Rent n Go

Kotlin, Android Studio

An Android app that helps users discover their ideal home through a user-friendly rental house search experience.

CastleVania

iGraphics

A multilevel game built using iGraphics.

Draughts

Python, Google Colab

A checkers-style game where players maneuver pieces to outwit their opponent.

Awards & Achievements

- Dean's List of Honor, Ahsanullah University of Science and Technology (AUST)
- Tuition Fee Waiver across all eight semesters of the B.Sc. program, AUST Department of CSE
- Scholarship, Higher Secondary Certificate (HSC) Examination
- Scholarship, Secondary School Certificate (SSC) Examination
- Scholarship, Junior School Certificate (JSC) Examination
- Scholarship, Primary School Certificate (PSC) Examination

Skills

- **Programming Languages:** C, C++, Python, HTML, CSS
- **Deep Learning Tools:** Keras, TensorFlow, PyTorch, Scikit-learn
- **Developer Tools:** Google Colab, Code::Blocks, VS Code, NetBeans 8.2, Overleaf
- **Database:** MS SQL, SQL Server 2014
- **Languages:** English (Fluent), Bengali (Native)
